

CYO Track & Field...

Making great memories for Kids!

You are invited to be Track & Field Officials this year. Most of you worked for us last year and did a great job. Your experience will be invaluable to us this year. If you have friends that would like to help us, please invite them to attend the training clinic. Track & Field experience with CYO will be a big plus for new official candidates. You may stop by the office and pick up your Contract forms beginning next week. I will also try to have them available via the CYO website, under Track & Field, Officials. If you need me to fax or mail the forms, please let me know. There is also a new Track & Field Officials Manual that will be available before the clinic from the CYO website at cyocamphoward.org.

This year we will be have one clinic at Valley Catholic High School at 4440 SW 148th Ave, Beaverton. You must attend the Official's Clinic. The clinic will be held on March 15th, 9:00a.m. - 2:00p.m. The clinic has been redesigned as a multi-media presentation.

There will be an on-line test again this year You will be able use any reference material needed during the test. The test will be scored and may have an impact on scheduling.
